Dearest Kate, words can't describe how I feel about you. You mean so much to me. Since you were very young, you exhibited rare qualities unmatched by others. If I were to look up altruism in the dictionary, your picture would be there—your devotion and kindness to others is one of your strongest attributes! One thing that always stands out is how positive you are in the face of adversity. You have been through so much and you always seem to produce that smile that shines so bright. When I'm not there and I'm thinking about you, I picture in my mind your unbelievable smile and hear your special laugh. (I won't write what I call that special smile, but I don't have to as you know what it is and that's all that counts!)

The qualities you possess will help you excel and achieve great things in your life, especially in the field you have chosen to study and to eventually practice. The future is bright for you because you have so much to offer others. I'm very proud of your accomplishments and I suspect there will be many more to follow.

You are so talented. I love to watch you perform and I hope you will continue for many years to come. And if you ever decide to stop, I'm sure you will teach others and pass along your great gift.

Please know that I will always support you in whatever you do and I will be there if you ever need me.

As your future unfolds, and opportunities present themselves, I hope you follow your heart, your head, your dreams and most of all, choose to dance instead of sitting it out.

Always remember that you are very special, dear to my heart and I care the whole world about you! With all of my love, Dad xoxoxo

Kate,

I'm so proud of the extraordinary young women you have become.

My greatest hope for you is to find happiness, fulfillment and success in all that you do.

"May you never take one single breath for granted.

Whenever one door closes, I hope one more opens.

And when you get the chance to sit it out or dance....I know you'll dance."

I will always be there for you with love and support.

With all my love,

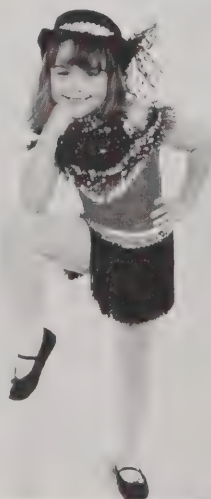

Mom 

Kate,

We have been through so much together and I would never change that for the world. We have built an awesome relationship over the years. No one can replace you as a sister. Just remember I will always be here if you need me. Have fun in college, and make sure you invite me to some of the parties. Have fun and make the best of it.

Love, Ronnie (Ra Ra)

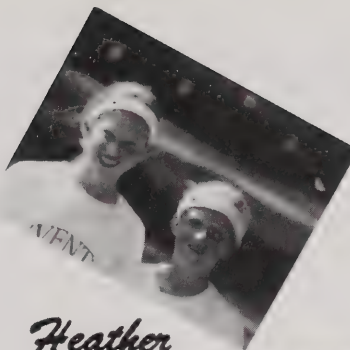

Kate,

Angela Marie....

I look at you and I still see the beautiful baby girl God blessed me with. From the very first day of your life you have been determined and independent, inquisitive and self-assured, qualities that at times have frustrated me to death, but will serve you well in the future. You have a compassionate heart and a great capacity to love. As graduation nears, just like when you took your very first steps, I hold my breath hoping for you to successfully stand on your own, while choking back the tears that form when I think of you needing me that much less. I wish you happiness and success.

Love always....Mom

It seems like yesterday we moved to Shrewsbury, and you guys were little pre-teens, playing manhunt and building forts. Now our driveway is overloaded with cars, and it's a cherished moment when all 5 of us are there for dinner at the same time. As we watch our oldest get ready to finish her high school career, we know that in another heartbeat, that driveway will be empty again. We are all proud of you, and we know you'll do great in anything you do.

Amanda. This time I can't wait at the window
for you to come home. And no matter how early
or how many times I have lunch you aren't
going to come home at 12:00. I love you so
much and I'm going to miss you terribly.

Love Always, Ash

I needed someone to be there. You are a
great girlfriend but most of all, you are a great friend.

But when I saw you I knew you were a keeper. Against the odds, everyone thought we wouldn't last, but we knew differently. I HOPE YOU DANCE!

I hope you never lose your sense of wonder
 You get your fill to eat but always keep that hunger
 May you never take one single breath for granted
 God forbid love ever leave you empty-handed
 I hope you still feel small when you stand beside the ocean
 Whenever one door closes I hope one more opens
 Promise me that you'll give faith a fighting chance
 And when you get the choice to sit it out or dance
 I hope you dance....I hope you dance
 I hope you never fear those mountains in the distance
 Never settle for the path of least resistance
 Livin' might mean takin' chances but they're worth takin'
 Lovin' might be a mistake but it's worth makin'
 Don't let some hell-bent heart leave you bitter
 When you come close to sellin' out reconsider
 Give the heavens above more than just a passing glance
 And when you get the choice to sit it out or dance
 I hope you dance....I hope you dance
 Time is a wheel in constant motion always rolling us along
 Tell me who wants to look back on their years and wonder
 where those years have gone.
 I hope you dance....I hope you dance
 I hope you dance

Love,
 Mommy Christine,

Before you leave for college, there are three very important lessons you've learn that I want you to remember: your clothes don't always have to be spotless, being called little isn't the worst insult you can get, and falling down doesn't mean you have to spend the rest of day drinking hot chocolate in the ski lounge. Congratulations, and even though we all know everything you have and will accomplish has nothing to with luck, good luck anyway.

Love always,
 Irene

Owed to Christine

She's quiet and shy and very bright
 And when she smiles the flowers bloom.
 Her laughter makes all cares take flight;
 Her tender touch can lift the gloom.
 But there'd be no more uplifting sight
 Than to see her fold her clothes or clean her room.

She's always been a loyal friend
 Sharing each life's lesson learned;
 On Quonnie trips at summer's end
 Or on a beach as the sea waves churned.
 Like how much time's too long to spend
 And what you can/can't do when you're badly burned

Now as her high school years are ending
 Her college path ahead...unseen
 We'll treasure the time with her we're spending,
 Myself, her Mom and sister Irene,
 For soon, into the world we'll be sending
 our bright, quiet and loyal and precious....Christine.

Evan,

You were sent to us from heaven and have brought us much joy...

We admire your convictions, your spirit and your goals.....

We have always been so proud of you.....

You will always be our "Everyday Hero".....

Congratulations and Much Love.....

Mom, Dad, Adam and Jenna

Carrie,

Where did the last seventeen years go? From the moment you arrived, you captured our hearts and demanded our attention. Not much hair, but big blue eyes and dimples. You grew so fast, and , upon entering first grade at Coolidge, informed us that your name would no longer be Carrie Beth as it was too long to fit on your desktop. You had taken over!

In the ensuing years, you developed a love of singing and performing that secured your place as the 'star' of the family. From your 2nd grade debut as a munchkin in the SHS original production, "The Phantom of the Locker", to your more recent successes, we have loved seeing you share your talent with the audience. Of course, you have done much of your best work singing in the shower, a more private setting.

But the one thing that impresses us more than your talent is your moral and social responsibility. You seem driven to be involved with campaigns and causes, and to stand up and befriend those who are less fortunate or in need. It seems almost genetic within you, and it makes you even more special.

We think you have made a great start, and wish you all the success you seek as you move on to full adulthood.

Our love always,

Mom and Dad

And what you are is beautiful"

You were always there beside me,
As we grew up through the years;
You shared my sorrows and my joys,
My laughter and my tears.

There's something God has given me,
A gift so sweet and rare;
A love for my sister deep in my heart,
And a friend who will always be there.

at the age of 8 you developed an organized
system for our "extensive" nail polish collection.
Your dedication and hard work to school and
sports definitely shows. We have created our

the important lessons of life but how to be
independent and strong. It's been a great 15 years.

Moose and Alf, Crusty Crabs and F-Face...It all started in Mr. McGinn's Science class freshmen year, asking each other for a piece of gum. Now, looking back at that I realize how lucky I am to have met you and not only made a friend, but a best friend. You've always been there for me, from problems in and out of school to taking our senior pictures. The past few years you've been such a significant part of my life. I honestly couldn't have made it without my "wittle weann". Our friendship's so special to me and I never want that to change. We've made it through so many obstacles and there's nothing we can't overcome together. I'm SO proud of all you've accomplished and continue to. I love you, sexpot. I promise to be here for you through everything, whether you're right or wrong. Through all the odds and ends we'll always be best friends. T.B.C. Always! Love you lots, Laura "III" Laura,

Friends come and go, but no matter what, you have always been there for me. I wouldn't have made it through high school without you. And, it all started with "Can I have a piece of gum?" We're finally seniors, girl, and thank you so much for always being such a good friend. I know when we go our separate ways after high school, things won't change. We'll always be best friends. I love you, Laura. Crusty Crabs and F-Face Always, Love, Leann.

Colophon XLVI

Colophon: facts relative to production. Jostens is the Yearbook's publisher, and their Kevin Simoneau, our representative. This issue remains at \$30, but is 16 pages longer than last year's! Orders remain the same at 900 books. Basic font is Palatino.

Purchase price includes the Spring "Extra" which covers all the events (focusing on Spring Sports, the Musical and Senior Week activities) that occur after January (our publishing deadline). We intend to have a large section about SHS's Clubs & Activities in the "Extra" as there are so many interesting events in the planning stages, as well as a number of new groups just starting up. Look for all of this in the Fall.

This year more than most necessitated a true team effort. Most staff worked on most sections, but especially: *Seniors*: Cindy Zhou, Amanda Dick, Alex Olivares, Laura Ryan, Courtney Lowrie, Emily Burns, Christine D'Amico, Tom Livingstone, Kristin Livingstone, Rosemarie Reynolds, Eric Pham, Vinh Tran, Sirisha Nalamati, Tom Mosakowski, Chris Cerrone; *Clubs & Activities*: Cindy Zhou, Alex Olivares, Laura Ryan, Courtney Lowrie, Emily Burns, Christine D'Amico, Nithya Setty, Amanda Dick, Cara Howe, Vinh Tran, Kristin Livingstone; *Sports*: Tom Mosakowski, Alex Olivares, Laura Ryan, Amanda Dick, Cara Howe; *Underclassmen*: Tom Livingstone, Cindy Zhou, Christine D'Amico, Chris Cerrone; *Academic*: Alex Olivares, Laura Ryan, Cindy Zhou; *Index*: Alex Olivares; *Music*: Cindy Zhou; *Digital Printing*: Chris Cerrone; *Photography*: Mrs. O'Leary, Mr. O'Connell, Nithya Setty, Early Family, Mr. Lednar, Ms. Yurkinas, Mrs. Krause, Mr. McKinley, SHS Clubs. Advisor is Mrs. O'Leary.

Also: Underclassmen Pictures: Hilton; Senior Portraits: Hilton, Grampietro, Keegan, Images.

Pictured here are the Senior Staff in earlier years and times: Kristin Livingstone, Rosemarie Reynolds, Tom Mosokowski, Eric Pham and Vinh Tran. We end also with the SHS Administration, an important strong foundation for all our endeavors.
